

Built to Connect. Built for More.™

Move the ATM with the most functionality in the smallest footprint outdoor: Offer customers an engaging and secure experience with advanced functionalities where they need it.

Designed on a scalable platform and driven by the RM4V fourth generation cash recycling engine, you can offer cash-recycling capabilities where customers need them: in outdoor shopping areas, close to tourist attractions, bars and restaurants and in many other locations where cash is required. The weatherized cash recycler can withstand even extreme weather conditions and run with the highest availability, regardless of climate conditions.

More Personalized

Engaging design in attractive locations where many people pass by coupled with powerful Vynamic Marketing™ enables you to personally connect with consumers.

More Integrated

A common platform supported by leading software and services ensures more seamless integration into your organization's channel ecosystem.

More Available

DN AllConnect™ Data Engine, an intelligent data-driven service architecture, maximizes the availability of the globally proven 4th generation cash recycling module.

More Efficient

New functionality offers new opportunities to migrate transactions and engage consumers through the self-service channel.

More Future-Ready

Equipped with the latest technology and built to allow for later functionality upgrades if you desire them at any point in the future.

More Secure

Layered security features protect against traditional and emerging physical, data and cyber threats.

Options

- Consumer awareness mirrors
- Encrypting PIN pad
- PIN pad shield
- Anti-skimming options: Secure Pack 1, 2, 3 or ActivEdge®

Cyber

- Trusted Device Communication
- Basic Endpoint Security
- CryptTA Stick secure service access
- DN Vynamic® Security Suite
- Trusted Platform Module (TPM)

Fully Outdoor Capable

- With AC & with heater: -40 to +50°C (-40 to +122°F)

Display

- 15" or 19" touchscreen
- Vandal-resistant display
- Supports multi-touch
- High-bright LCD
- Privacy filter

Processor

- Intel® i5
- Intel® Active Management Technology (AMT)
- Solid-state drives
- Optional DVD drive

Accessibility

- Compliant with regional height and reach requirements (ADA compliant)
- Headphone or headset jack
- User guide lights customizable with branding colors

ID Devices

- EMV motorized, dip, ActivEdge® and/or contactless card readers
- Barcode scanner 1D/2D
- Fingerprint reader
- Drivers license scanner

Printers

- 80 mm thermal receipt printer with retract option
- Journal printer

Serviceability

- Front load
- Integrated with DN AllConnect Services™ Architecture

Platform Software & Operating System

- ProBase/C 1.4 or 1.5
- Windows® 10

Application Software

- DN Vynamic® Software Suite

Dimensions (HxWxD)

1599 mm x 800mm x 1107 mm
(62.9 in x 31.5 in x 43.6 in)

See installation manual for other configurations and installation parameters
